Lagoda Putting Contest

The same as in the past years we will have indoor putting contest.

Entrance to the qualifiers is 5 kn / 0.7 € and each player can make up to 5 qualifying runs.

In each run you can make 10 putting attempts on distances marked from 5 to 12 m. A putt successfully made brings the same number of points as the distance (7m = 7 points). Points from all 10 putts are summed up for a player's qualifying score. Only the best run by each player is ranked for the overall qualifying standings.

Top 8 players enter the Quarterfinals where duels are played (1-8, 2-7, 3-6, 4-5) in a format of a knockout tournament. Until we have one winner.

You can use your own putters or provided 10 Vibram Soles or 10 Vibram Summits.

Lagoda „Park it!“ Contest, qualifiers

Entrance to the qualifiers is 5 kn / 0.7 € and each player can make up to 5 qualifying runs.

In each run you can make 5 approach attempts and park a disc as close as possible to the pole at 30-40m away.

If your disc lands up to 5m to the basket the distance is measured in centimeters and all 5 distances are summed up for a player's qualifying score. If your disc lands at more than 5m to the pin, the distance used is 5m.

Top 4 players enter the Final round where they make additional 5 approaches per round and after each round worst players is knocked out.

You can use only provided Vibram Ibex discs.

Lagoda Team Game

Team Game is played in 2 rounds, 1st on Friday and 2nd on Saturday, after the Drava Forester rounds and lunch.

Teams of 3 players play a round of 9 holes. We expect that a round will last no longer than 60 minutes. Each team member has to make a tee shot on 3 holes. Players can make their tactics and decide who is teeing off at which hole according to capabilities of each team member (left / right handed, short / long thrower etc.).

On each hole a player is allowed to make only one throw - either 1st, 2nd or 3rd.

For example: If player **C** made a tee shot (1st throw) then, after a disc comes to rest, team decides shall player **A** or player **B** make the 2nd throw. If player **A** goes with 2nd throw and does not hole out player **B** will be making the 3rd throw.

If a team doesn't successfully hole out after 3 throws they mark it a 4 and move to a next hole.

Friday evening games at Bedem Restaurant

If the weather will allow it, after the dinner we will have outdoor Ace run and Long putt contest.

For Ace run we will place a basket at something like 45m from the restaurant terrace with a land wall behind it and for 5 kn you will be able to make 5 ace runs with your disc or provided Vibram Ibex discs. Each ace made will bring a prize.

At Long putt contest you will have to make 3 consecutive putts from the same distance. There will be a marker on the ground that will be moved further of the basket every time someone makes 3 putts from a greater distance.
